WHERE PAST MEETS FUTURE

Wunderlich R nineT Regular »Option 719«

We have expanded our DAYTONA duo to a trio because the Regular »Option 719« has many parallels to our well-known DAYTONA-R nineTs, presented in black and silver. If the black DAYTONA is the tailored suit, the silver one embodies the leather jacket. Now we add the Regular »Option 719«, which unmistakably appears in the extravagant sporting attire! In combination with the sport hump, unique paint, and the red engine guards, the Daytona fairing are only some of the insignia of the SPORTSMAN, which convincingly rounds off our DAYTONA series.
